StreamPro-S1

USB Microphone

User Manual

Introduction

The Luucco StreamPro-S1 is a studio condenser microphone that combines professional quality sound capture.
The cardioid polar pattern and 192KHz/24bit high-quality functions provide a high level of versatility, excelling for a wide variety of podcasting, streaming, gaming, ASMR, and recording applications.

A mic gain control and mute button is on the front of the mic for convenient operation, giving additional flexibility for in-the-moment audio control. The mic offers a 3.5mm headphone jack for monitoring.
The mic also offers a desk stand, or a 5/8 to 3/8" thread adapter ensures you can mount this mic on nearly any mic stand.

Box Contains:

1* StreamPro-S1 microphone
1* Type-c cable
1* Type-C to USB adapter
1* 5/8 to 3/8" adapter
